GRANDÉ

High-class protection made of finest cowskin.

The name of GRANDÉ means “High Class”.

That’s why call our label GRANDÉ .

You may identify the original as well by the embossed logo as by the GRANDÉ platelet.

All our bags are perfectly being custom made for every single device.

This individual manufacture for every device ensures optimal fit.

In order to ensure ideal protection, all points relevant for security (f.i. display area) are additionally tightened.

All the bags are exclusively delivered in a premium black gift-box.

Inside, a black microfiber cloth protects the bag from scratches.

Subject to type, our bags possess up to two folds for memory cards.

The folds of the bags are already lowered for that the cards cannot press on the display.

Simple handling is guaranteed by the reliable magnet button.

All the bags are being supplied with a special, removeable 360° Rotary Clip (Notebook and GPS-Bags excluded).

Without clip, the case is very slim and fits comfortably in every trouser pocket.

The clip can be latched in 9 different positions. By that, you may choose by yourself if you want to fix the bag straight, crossways or even diagonally at your belt or your shirt pocket.
